PORN SPAIN

The world is now a DIGITAL BROTHEL. The dominating influence of digital porn is undeniable. Its in every culture, language, nation and religion.

In 2017, the worlds largest porn site received 28.5 billion annual visits from porn pilgrims. A total, 595,482 hours of video were uploaded to pornhub, the equivalent of 68 YEARS of porn if watched continuously and enough data to fill the storage of all of the world's iPhones!

Porn, like tantra is a sex ritual. It is sex magic. When indulging in porn or tantric sexual practices, one essentially enters into an altered and highly suggestible state of consciousness, creating many mind controlled slaves.

In ancient times it was used by both male and female occult shrine and temple prostitutes to worship incorporeal entities (demons).

They prostituted their bodies as a form of religious sacrament and worship. In doing so they were initiating many host bodies for the incorporeal entities to use (demons).

Those incorporeal entities have been here on earth since days of old, when their forefathers, who were angels lusted after the daughters of men and came down to earth and took for themselves wives who bare a hybrid race of beings, who upon death, became the demonic entities. The women also of these fallen angels became demonic sirens.

These fallen angels taught all witchcraft and occult knowledge. They taught them MAGIC, SORCERY, INCANTATIONS, CHARMS AND SPELLS. *Charm is the power or quality of giving delight or arousing admiration. *Spell an invocation or hex, a set of words, spoken or unspoken, which are considered by its user to invoke some MAGICAL effect. Spells can be used in calling upon or summoning a demonic spirit and may employ mind altering substances AND PORN.

Porn and tantra is thus a means of summoning the demons. It is just like porn and has the same effects. The porn or tantra triggered trance makes people wide open to incorporeal entities that feed off of sexual perversion causing many people to be insatiable, addicted, aggressive, depressive and indulging in all manner of wickedness.

Today porn and tantra has an astronomical impact on the human race. There are 12.5 videos of porn for every person on the planet. Porn is now arguably bigger than all the world religions combined. In tantra what is done on a porn set is done privately, alb-eight with the same spiritual effects.

Just like a mind altering drug, tantra causes massive addiction.

Porn and tantra is thus an evil illuminati Babylonian sex magic psyop, deployed to influence millions of people to accept and obey the illuminati agenda. It is a weapon of mass destruction, facilitating the evil agenda against mankind and creating many mind controlled slaves.

When one practices tantra, their bodies essentially get inhabited, tagged and tracked by demonic entities.

Those entities know so much information about users. They are essentially BIG BROTHER WATCHING YOU and they continue watching and influencing you long after your tantric practice.

The last page in this publication details the one and only proven and tested way out of tantric sex slavery and porn.

pornography (n.)

1842, "ancient obscene painting, especially in temples of Bacchus," from French pornographie, from Greek pornographos "(one) depicting prostitutes," from porne "prostitute," originally "bought, purchased" (with an original notion, probably of "female slave sold for prostitution"), related to pernai "to sell" (from PIE *perə-, variant of root *per- (5) "to traffic in, to sell") + graphein "to write" (see -graphy).

A brothel in ancient Greek was a porneion. In reference to modern works by 1859 (originally French novels), later as a charge against native literature; sense of "obscene pictures" in modern times is from 1906. Also sometimes used late 19c. for "description of prostitutes" as a matter of public hygiene.

Pornography, or obscene painting, which in the time of the Romans was practiced with the grossest license, prevailed especially at no particular period in Greece, but was apparently tolerated to a considerable extent at all times. Parrhasius, Aristides, Pausanias, Nicophanes, Chaerephanes, Arellius, and a few other [pornographoi] are mentioned as having made themselves notorious for this species of license. [Charles Anthon, "Dictionary of Greek and Roman Antiquities," New York, 1843]

I shall not today attempt further to define the kinds of material I understand to be embraced within that shorthand description [hard-core pornography]; and perhaps I could never succeed in intelligibly doing so. But I know it when I see it, and the motion picture involved in this case is not that. [U.S. Supreme Court Justice Potter Stewart, concurring opinion, "Jacobellis v. Ohio," 1964]

The "Medical Archives" in 1873 proposed porniatria for "the lengthy and really meaningless expression 'social evil hospital'" In ancient contexts, often paired with rhyptography, "genre painting of low, sordid, or unsuitable subjects." Pornocracy (1860) is "the dominating influence of harlots," used specifically of the government of Rome during the first half of the 10th century by Theodora and her daughters. Pornotopia (1966) was coined to describe the ideal erotic-world of pornographic movies.

Pornhub & Spain

[0 comments](#) September 10, 2014

Hola! Today the Pornhub statisticians' curiosity has been piqued by the spectacular country of Spain, with some encouragement from our friends over at [El Confidencial](#). Thanks to some very spicy porn-viewing habits, Spain lands at number 10 for most visitors worldwide, so let's take a closer look at how the Spanish get freaky with Pornhub.

Spanish Stats

Like in [Germany](#) as well as in many of the countries we have previously surveyed, the Spanish are busiest on Pornhub on Mondays, while Saturdays typically see the least amount of traffic.

 **Saturday**

Living and working in Spain seems pretty sweet. With the average worker getting somewhere in the ballpark of 34 paid vacation days a year, it's no wonder that traffic slows slightly in August which is a particularly gorgeous time of year there. Things increase a little in the merry month of May, the busiest in terms of Pornhub traffic in Spain.

Making it Last

The Spanish clock in at just over 8 minutes for their national average visit duration. This is rather low when compared to the northern country of [Norway](#) who generally last 9 minutes and 31 seconds but they beat out [Serbia](#) who last a mere 7 minutes on average.

 **8 minutes**
Average Visit Duration

 **7.2 pages**
Average Viewed Per Visit

Spaniards tend to get the job done with a little over 7 pages viewed per visit, which is comparable to [Ireland](#) who view around 7.8 pages per Pornhub visit.

A closer look at these same stats by region paints a slightly different picture. Did you know that the Spanish are credited with the invention of the mop? They are likely making good use of their creation, cleaning up after some longer than average sessions over in the Balearic Islands, where they generally spend a luxurious 8 minutes and 46 seconds on the site.

Over in the autonomous community region of Extremadura, their viewing habits are anything but extreme. In fact, both their average visit lengths and page views are the lowest within the country at 7minutes and 31 seconds and 6.51 pages respectively. Looks like Extremadurans are busier curing the ham their region is known for, rather than choking their chorizos.

Spain - Regions - Pages Viewed Per Visit

The following chart examines cities in terms of their temporal differences versus that of the national average 8 minutes spent on the site. Life's a beach in seaside Palma de Mallorca where they spend almost 30 seconds more on the site than the rest of the country. They're also palming it for longer over in Palmas Gran Canaria, located in the gorgeous Canary Islands, where Pornhub visits tend to extend by an extra 20 seconds in relevance to the national average.

Surprisingly, things start to slowdown in the university town of Salamanca,

where these seemingly more studious folk spend almost 16 seconds less than the rest of Spain on the site and dips even deeper in Albacete where they cut visits to Pornhub 32 seconds shorter.

Desperately Seeking in Spain

As we've seen in places like [The Netherlands](#) and [Mexico](#), a country's top searched term tends to link back to its nationality. Spain is no exception, with 'Spanish' claiming the top most searched term, nationwide plus other regional terms like "Spain", "Spanish amateur" and "porno en espanol" not far behind.

International fan favorites 'casting' and 'mom' round out the top 3 for most searched porno terms. The Spanish also seem to have a thing for Eastern Euro girls as 'Czech' also appears as a popular search term, the same happening notably in [Switzerland](#), Germany and the Netherlands. Spaniards also pay tribute to the seaside and good times that keep the tourists flocking with 'beach' and 'party' making appearances in their top searched porno terms list as well.

Spain - Most Popular Searches

Porn **hub**

Looking at top search terms by region, 'smoking' emerges as a favorite in areas like Aragon and Balearic Islands. Interestingly, Spain was one of the first European countries to outlaw smoking in bars and restaurants back in 2006 but the fetish clearly remains strong. 'Pilladas' which roughly translated means 'getting caught in the act' also ranks highly in the regions of Castile & Leon as well as in Galicia. The anticipation!

Though the Spaniards seem to have an affinity for the Americans when we take a look at their top searched porn stars, some local flavors make it into the mix as well.

Spain - Most Popular Pornstars

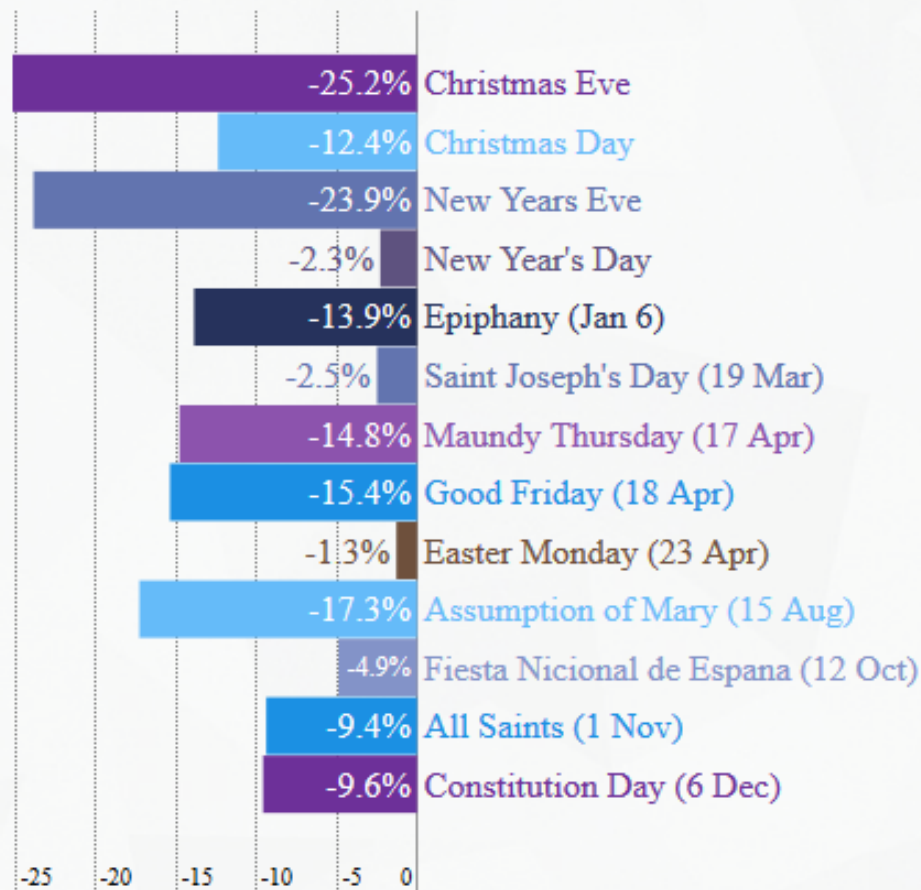

Pornhub

The internationally adored MILF maven Lisa Ann holds on to the number one spot here while German born but now [American](#) claimed Madison Ivy comes in at number three. Spanish sensations Rebecca Linares, Lucia Lapiedra and Nacho Vidal slide into second, fourth and fifth rank, respectively.

Holiday Getaway

There is more than one meaning to taking time off during the holidays in Spain, as across the board, Pornhub traffic dips during the festivities. The biggest hits occur on Christmas Eve and New Year's Eve with drops around 25% on both days. Dips of this magnitude are common [around the world](#) though.

Spain - Holidays - Traffic Changes

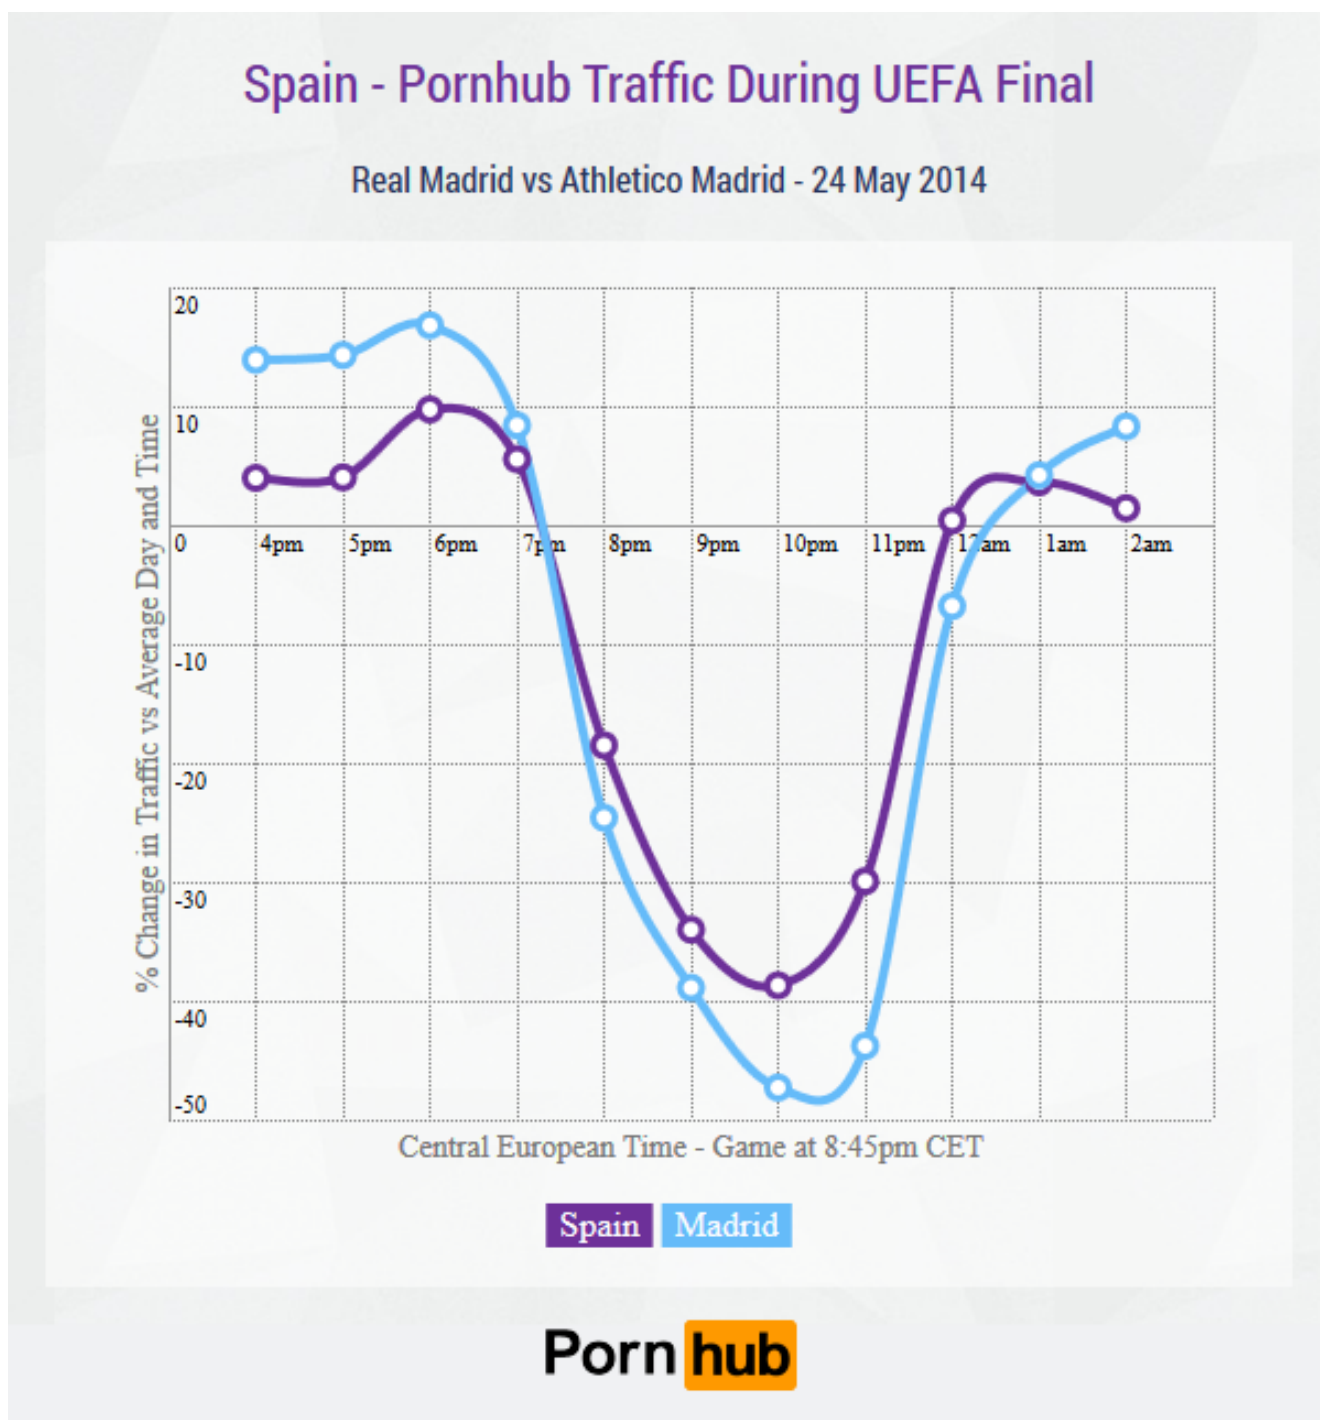

Pornhub

What's interesting here is that on none of these days does traffic rise at all, as the case in countries like Norway where on days like January 1st and other smaller holidays, traffic tends to see slight increases. With most of the national holidays being of religious significance, the faith appears to be strong in Spain, with the best kind of sinning reserved for the less holy of days.

More Soccer, Less Sexy Time

If there's one thing that the Spanish are more dedicated to than Pornhub, it's football. Look no further than the way traffic dipped during the UEFA Champions League Final, which took place on May 24th, to attest to this. The game was tense and went into overtime but ultimately, Real Madrid took the win home. The fact that two teams from Madrid were competing

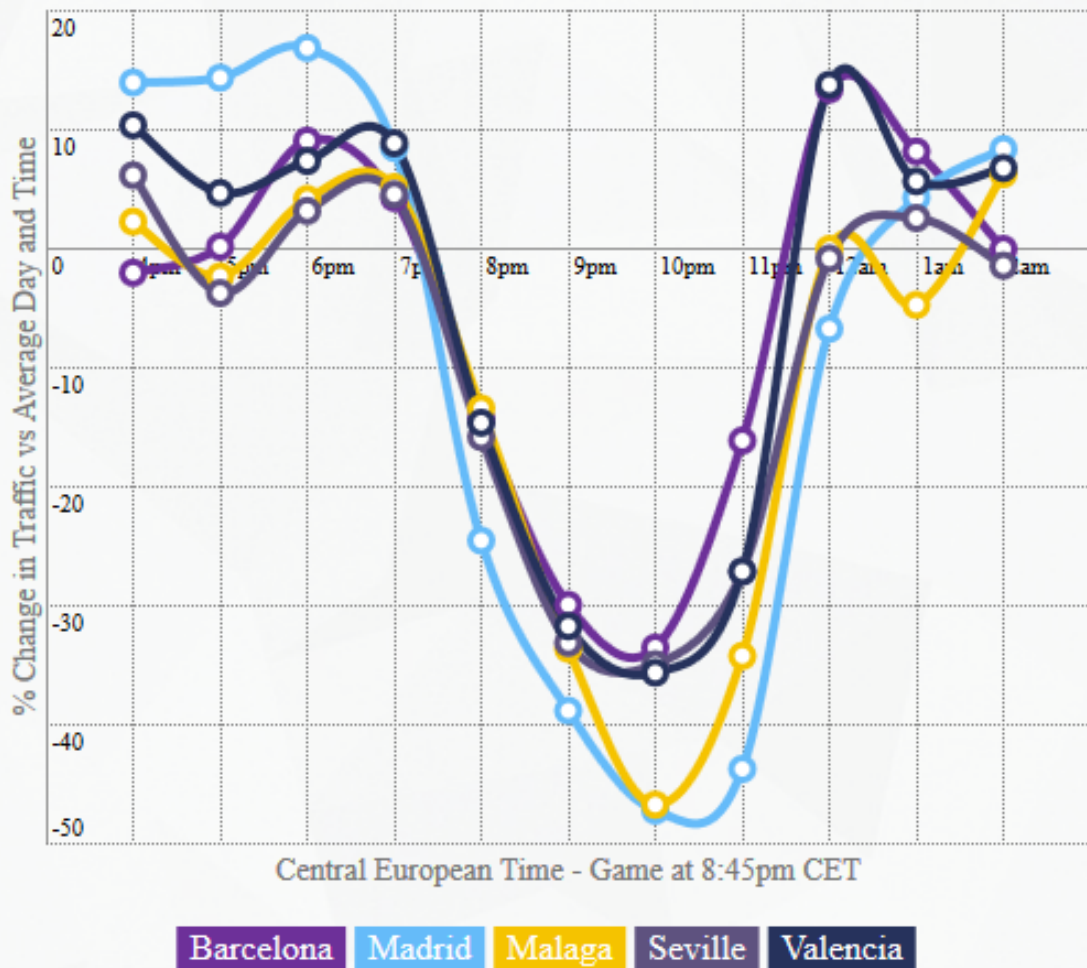

for the title makes it understandable that Spaniards were less focused on their favorite starlet's D cups and more on who would come to compete at the final. Let's take a closer look.

As you can see in the above graph, the Spanish were actually a little more active than usual in the time leading up to the game, undoubtedly relieving some of that pre-match stress. This was even more so the case in Madrid, where these changes were up by nearly 20% a few hours before the 8:45 pm kickoff. Traffic began to dip steadily as of 7 pm nationwide, dipping as low as nearly 40% across the country and near 50% midgame in Madrid.

Spain - Top 5 Cities - Traffic During UEFA Final

Real Madrid vs Atletico Madrid - 24 May 2014

Porn hub

The same trend was more or less observed in the top 5 Spanish cities where Pornhub is the most popular, with Seville showing the least dramatic of traffic changes, of the 5. It seems like they took Atlético de Madrid's loss a little harder in Barcelona and Valencia, where traffic spiked by almost 20% post game, whereas in Seville it barely went up by 5% after their soon to be opponent's win. Nonetheless, this relative uniformity is interesting when compared to other viewership trends that occurred during the [world cup](#).

With that, we're going to say adios to Spain. We'll be back soon with more incredible Pornhub Insights but in the meantime, leave us a comment! Which countries or events would you like to see profiled?

The kingdom of heaven has come near !

Porn Deliverance

I say to the true people of God, now you must come out of her! Come out of pornography!
Come out of mystery babylon, the harlot!

Then I heard another voice from heaven say:

“**Come out of her, my people,**
so that you will not share in her sins,
so that you will not receive any of her plagues;
for **her sins are piled up to heaven,**
and **God has remembered her crimes.**” Revelation 18:4-5

Those who want to come out of pornography and never return to the filth, let us repent
and return to JESUS right away,

Say,

Dear Jesus, Mighty Father, Precious Holy Spirit. I am sinner. I have sinned against you and
against my own body, which is the temple of the Holy Spirit. I have defiled your temple
with sexual sin, pornography and wickedness. I have become the body of the harlot.
Please forgive me. Disconnect me from the mystery babylon spirit and all unclean spirits.
Disconnect me from filthy jezebel. Disconnect me from all ties to demonic spirits.
Disconnect me from spiritual ties to satan. Make me clean LORD JESUS, make me once
again into the temple of the HOLY SPIRIT. Help me not to be defiled again. Help me
JESUS not to return to sexual sin and porn. I repent of idolatry, lies, and all wicked acts.
Please forgive me. Today I am born again and I am receiving you JESUS, I am receiving
you FATHER, I am receiving you HOLY SPIRIT. Amen.

WARNING!

“**Flee from sexual immorality.** All other sins a person commits are outside the body, but
whoever sins sexually, sins against their own body. Do you not know that **your bodies are**
temples of the Holy Spirit, who is in you, whom you have received from God? You are
not your own; you were bought at a price. **Therefore honor God with your bodies.**” 1
Corinthians 6:18-20

If you REJECT THIS INSTRUCTION, THEN YOU HAVE REJECTED GOD, for it is
written,

“**For God did not call us to be impure, but to live a holy life.** Therefore, **anyone who**
rejects this instruction does not reject a human being but God, the very God who gives
you his Holy Spirit.” 1 Thessalonians 4:7-8

May the LORD JESUS write and keep the names of all who have repented here. Amen.

Shalom.
